

Donor Recognition

A unique installation located in the entry of the building will honor all donors of \$5,000 or more. Recognition signage will vary in size based on the following giving levels: \$5,000, \$10,000, \$25,000, \$50,000, \$100,000, \$250,000, \$500,000 and \$1,000,000.

The Virtue Center Building
\$1,000,000

Our 14,486 sq ft building will be situated in a highly visible location just off of Interstate 35. Recognition will be given in promotion of all onsite events.

Education & Training Room
\$500,000

960 sq ft room will be used for our Addiction Information Series for adolescents and their families and recovery support education for clients. Community workshops and professional training sessions will be held in this room.

Healing Garden
\$300,000

A beautiful first impression. Every visitor to The Virtue Center will enjoy this lovely garden as they enter the building.

Community Room
\$300,000

850 sq ft flexible space will provide a location for small training sessions, group breakouts and client wellness activities. After hours accessibility will allow the community to utilize the space.

Reception & Waiting Area

\$250,000

This area is the most important part of a client's first visit to The Virtue Center. They must feel safe, welcomed and most of all that they are in a professional and trustworthy place to begin their recovery journey.

Outdoor Sanctuary

\$200,000

Covered outdoor space that will be utilized for group therapy sessions, yoga and meditation.

Client Lounge

Open concept lounge space will offer clients a place to build connections, gain skills and encourage each other.

Client Lounge Waiting Area
\$150,000

After checking in, established clients will be able to wait for their sessions in a more private area.

Client Lounge Vending Area
\$150,000

Many of our groups are held in the evening. Clients often arrive directly from work. In this area, they will be able to interact with peers and enjoy healthy drinks and snacks.

Client Lounge Resource Area
\$150,000

Our resource library will be housed in the common area along with computers that clients can use to complete online research and applications.

Small Conference Room
\$100,000

This 330 sq ft space will be utilized for board meetings and small program and administration meetings.

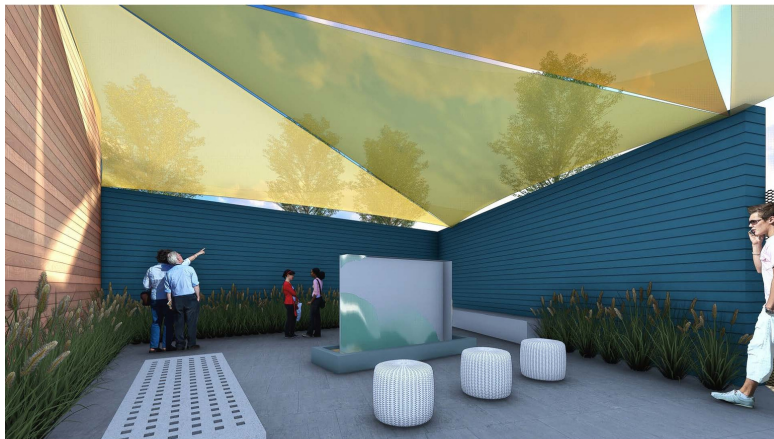

Group Therapy Room
\$50,000

In addition to two general group therapy rooms, four additional rooms are available for use for specific groups. These include:

- Intensive Outpatient Group Room - Clients with the highest level of need spend at minimum nine hours per week in Intensive Outpatient (IOP) group sessions. IOP allows clients to receive the treatment they need without having to leave their homes, families and jobs.

- Adolescent Group Room - Adjustable lighting, edgy art installation and oversized furniture will provide a safe space for adolescent group sessions
- Families in Recovery Group Room - Family friendly space that will serve as a hub for services to help the family unit heal and thrive; will be primarily utilized for Women in Recovery groups and Family Drug Court Groups.
- **Art Therapy Group Room** - Healing and creative space with work surfaces for easy clean-up and storage areas that will allow multiple groups to utilize the space.
